Dad's Day

Did you know that when a dad is not involved in his child's life, the child will be...

*It's critical to get involved.*

All Pro Dad makes it easy for you to connect with your kids through a monthly program called All Pro Dad's Days. It's an incredibly simple, yet powerful way for you to make lasting investments in your relationship with your children. Come check out All Pro Dad's Day, and you will be sure to:

- Bond with your kids
- Have meaningful conversations about important topics
- Make lasting memories

When you are actively involved with your children and the school, your children will...

Perform Better In School

Have Fewer Discipline Problems

Be More Involved

Learn & Enjoy School More

"I have gotten a pretty tight group of guys that are passionate about this program. There is nothing I enjoy more than being a dad and spending time with my kids. This program allows us to have that time together and help other dads as well to become All Pro Dads."

- Mike, Martinsville All Pro Dads

"This was our first ever All Pro Dad, and it was worth every minute of planning seeing the smiles and hearing laughter. As a son of an absent Dad and now a father myself, the greatest gift I can give my kids is my time. Having Dads spending this time once per month with their son/daughter will reap benefits beyond anything we could hope for."

- Matt, Kissel Hill Elementary
