

# Lake County Strong!

DIRECTIONS: Choose at least two activities from each content area and one Community Building project. Once you have done these activities, complete the [Final Project](#) capturing your response to the question:

**What Makes Lake County Strong?**

HINT For Families: Select the same activities, community building project and final project option as your sibling(s), so you can work together! It doesn't matter what grade each student is in.

*In order to edit assignments, students will need to make a copy of the document.*
